Joint Meeting with ASCE

Guest Speaker:

Travis Shannon & John Gilreath

DMRP

Topic: Ascension Island Runway

**When: Tuesday August, 2018
11:30 am Lunch / Noon Speaker**

**Location: Beef 'O Bradys
1800 Thomasville Road, Tallahassee, FL**

Lunch is \$15 per person.

DRMP will present a case study of the full-depth runway replacement design for Ascension Auxiliary Airfield. Located 500 miles below the equator in the South Atlantic Ocean, this design effort presented unique logistical challenges. The presentation will cover the integration of construction logistics into design, the combination of various survey methods in this remote and austere environment, and management of the acquired data to produce GIS utility databases and a three-dimensional airfield obstruction map
