\$500 Educational Scholarship

The American Public Works Association is an international educational and professional association consisting of public agencies, private sector companies, and individuals dedicated to providing high-quality public works projects and services. With more than 100 local members dedicated to the promotion and understanding of Public Works services and professions in a nine county area, across the eastern panhandle of Florida, our Big Bend Branch Chapter provides services and benefits for our members, potential members, and college students.

The APWA Big Bend Branch Scholarship offers scholarship opportunities to assist students and professionals invest in a career or professional enrichment in the field of public works.

Some examples of public works related fields (but not limited to) include:

| | | |
|--------------------------------------|-------------------------|-------------------|
| Civil or Structural Engineering | Sanitary Engineering | Land Surveying |
| Mechanical or Electrical Engineering | Environmental Sciences | Urban Planning |
| Traffic/Transportation Engineering | Public Administration | Public Management |
| Geology or Geotechnical Engineering | Construction Management | Geography |
| Geographic Information Systems | Architectural Sciences | Utility Operator |

Deadline for Application Submittal is May 3, 2024

Visit www.apwabigbend.net to learn more and apply.

APPLICANT ELIGIBILITY: Award amounts are determined each year by the Big Bend Branch Executive Committee. Scholarship award may be up to \$500. Funds shall be used for student fees including, but not limited to, tuition and books at an accredited private college; state university or college; technical centers and agencies; Florida Public Works Institute; or Florida Public Works Academy. The total number of scholarships and amount awarded in each category may vary each year.
