RE: 2025 Sponsorships for the APWA Big Bend Branch

The American Public Works Association (APWA) is a non-profit international, educational, and professional association of public agencies, private companies, and individuals dedicated to improving the quality of life for our communities through public works projects and services.

Originally chartered in 1937, APWA is the largest and oldest organization, of its kind, in the world. APWA is a forum in which public works professionals can exchange ideas, improve professional competency, increase the performance of their agencies and companies, and bring important public works-related topics to discussion. The local Big Bend Branch was established in 1985 and has been an active chapter since its inception.

As Chairman of the Big Bend Branch of the American Public Works Association (APWA), I would like to invite your company to support our local organization through sponsorship or donations for future events. We are looking forward to our usual slate of events and we cannot carry them out without your support. These events are tailored to recognize our works, provide interaction between disciplines, and offer a helping hand to those members seeking higher education. Each year, sponsorships provide much needed financial assistance for APWA Big Bend Branch with activities such as:

- Education: To encourage participation in many programs for furthering Public Works as a solid industry, the APWA Florida Chapter awards \$1,000 academic scholarships and the Big Bend Branch awards \$500 scholarships to qualified applicants.
- Annual Equipment Road-E-O and BBQ: In celebration of Public Works Week, each May, Public Works crews from all over the region test their skills and competency using a variety of heavy machinery and equipment. The winning team is recognized for their skills and prowess with Public Works equipment.
- Annual Project Awards Banquet: The APWA recognizes the special projects in our community each year that deserve extra recognition and support for achieving project goals, budgets and/or exceeding public expectations. Some of these projects go on to win APWA awards at the state level. We have even had one award win at the national level.

We would like to say thank you to all our past sponsors. Some of you have been sponsors for many years and we sincerely appreciate your support.

Attached please find the sponsorship form with details for each level of support. Please let us know if you have any questions. Thank you in advance for your support!

Sincerely,

Jake Autrey

Jake Autrey, PE
2024-2025 Chairman,
Big Bend Branch of the APWA Florida Chapter
